

Other courses at Sussex

In addition to undergraduate and postgraduate degrees, we offer a range of other courses at Sussex including university preparation, English language and Study Abroad.

International Foundation Year

If you come from a different education system, you may need an International Foundation Year (IFY) to help you prepare for an undergraduate degree at Sussex. Our IFY:

- is located at the heart of the Sussex campus;
- is closely tied to our undergraduate degrees through dedicated link tutors;
- offers September or January starts;
- has a diverse international student community, with 29 nationalities in 2007-08.

The IFY has five routes, each linked to a range of undergraduate degrees at Sussex:

- Business Management and Economics
- Engineering and Computing
- Law and Social Studies
- Life Sciences
- Media Studies.

For more information, and to meet some of our IFY students, visit www.sussex.ac.uk/isc

Pre-Masters

If you do not meet the direct entry requirements for a management or finance Masters degree at Sussex, you can join our Pre-Masters – a two- or three-term course of academic subjects, study skills and English language.

Following successful completion of the Pre-Masters, you can progress to one of the following masters programmes:

- MSc in International Finance
- MSc in International Management
- MSc in Technology and Innovation Management.

For key facts and entry requirements, visit www.sussex.ac.uk/isc

English language

The Sussex Language Institute (SLI) is the University's main centre for English language teaching and is British Council inspected and accredited. SLI offer a wide range of English language courses, including:

- Pre-Masters English (nine-month, six-month or three-month programmes)
- Intensive English (10-week terms between October and June)
- Summer at Sussex (general English in July and August)
- teacher training.

For further details, see pages 38-39 or visit www.sussex.ac.uk/languages/
Alternatively, email efl@sussex.ac.uk

Study Abroad and exchange

Our Study Abroad programme is one of the most comprehensive in the UK, and we are proud to offer over 1,000 courses to visiting and exchange students. Our most popular study plans include:

- Year Abroad
- 'Semester' Abroad (autumn term or spring and summer terms)
- English language combined with academic courses.

To see term dates and a full list of courses (with credits), visit www.sussex.ac.uk/international for our latest Study Abroad Guide.

JYA (for students from Japan)

Our JYA (Japan) is specially designed to fit the term dates of your university in Japan. You can learn English first and then gain credits by taking regular academic courses. Choose from hundreds of courses across our subject areas, including development studies, international relations, English and business. Find a study plan to suit you, including:

- Year Abroad (April-March, minimum IELTS 4.0)
- Spring Semester (April-August, minimum IELTS 5.5)
- Autumn Semester (August/September-March, minimum IELTS 5.0).

For more information, including dates and fees, visit www.sussex.ac.uk/jyajapan

International Summer School

Our International Summer School (ISS) is one of the UK's largest and most successful university summer schools, offering over 75 courses in the humanities, sciences and social sciences, as well as a full social programme. Our ISS courses are intensive and accepted for credit transfer at many colleges and universities.

Choose from a range of summer study programmes, including:

- ISS Session 1 (June to July, over 75 courses)
- ISS Session 2 (July to August, over 75 courses).

For the latest information on courses, credits and dates, visit www.sussex.ac.uk/iss

Sussex in September

An intensive cultural and historical short-course programme which can be combined with our autumn (fall) term to provide a full semester's credit. To find out more, visit www.sussex.ac.uk/International

Pre-Medical programmes

Our well-established Pre-Medical programmes are tailored to meet the needs of two distinct groups:

- Pre-Medical programme for North American students (for visiting Study Abroad students from North America)
- Pre-Medical programme in association with M&D Europe (for UK and international students, accepted by medical schools in the UK and overseas).

To see key features, entry requirements and routes, visit www.sussex.ac.uk/International/Pre-Medical/
