 - d) Subject to sub-paragraph (a) above, if a student is conditionally accepted into the programme based on forecast results but due to non-fulfilment of entry requirements upon official announcement of examination results, the student shall be discontinued from the programme by Taylor's. The student is eligible for a pro-rated refund of all fees paid. (The pro-rated refund is calculated based on the number of weeks elapsing from semester commencement date to the official notification date and proportionate to the total number of weeks of the relevant semester.)
 - e) Subject to sub-paragraph (a) above, if a student withdraws from the programme due to unsuccessful request for deferment of national service, the student is eligible for a full refund of all fees paid.
5. Taylor's will issue any applicable refund under the name of the parent/guardian as provided in Part D of the application form, unless otherwise advised by the student.
6. All refund shall be free of interest and Taylor's reserves the right to set-off the refundable amount against any outstanding fees or whatsoever payments due and owing to Taylor's.
7. All semester fees must be fully settled before or by the commencement of the semester. From Week 3 of the semester, Taylor's shall be entitled, but not bound to, take any necessary actions against students with outstanding fees such as barring from classes and/or facilities as Taylor's deems fit. Taylor's further reserves the right to withhold the release of all examination results, certificates and records of the student until the full settlement of fees is made. A late payment penalty of RM100 per week will be imposed on any outstanding fees incurred commencing from Week 3. Student who still has outstanding fees on the first day of Week 5 shall be terminated from the programme at Taylor's without further notice.
8. For inter-programme transfer cases (within Taylor's), an administration charge of RM200.00 will be imposed. This administration charge will be waived for the first time inter-programme transfer by the new students only. The amount of fees transferable to the new programme is subject to the following:
 - a) If inter-programme transfer is carried out within the first month of the semester, all fees paid are transferable to the new programme. In the event of any surplus, such surplus amount shall not be refundable but may be used to set-off fees for the subsequent semester.
 - b) If inter-programme transfer is carried out after the first month of the semester but before the mid-semester, only the enrollment fee and 50% of the tuition fee and the resource fee due and paid will be transferable to the new programme.
 - c) If inter-programme transfer is carried out after the mid-semester, only the enrollment fee is transferable to the new programme.
9. In the event that a student is expelled, suspended or terminated due to any sort of misconduct or non-attainment of academic requirement, there shall be no refund of fees paid.
