追寻你的梦

40年的历史，尼亚加拉学院已成为全加拿大扩容最快的学院。 **Every year more than 10,000 full-time students, including over 700 international students from 60 countries begin their dreams in our state-of-the-art facilities.**

Located a heartbeat away from the world-famous Niagara Falls, there are two campuses, one in Niagara-on-the-Lake and the other down the road in Welland. The Niagara-on-the-Lake Campus has its Teaching Winery vineyards nestled up against the Niagara Escarpment, which has been designated by the United Nations as a World Biosphere reserve. The Welland campus, which recently underwent a \$90 million modernization, sits on 100 acres of green space in a friendly community.

NC is proud of being the most famous Tourism, Hospitality, Culinary and Business Management school in Canada. With over 90 outstanding and relevant one to four year programs – including an innovative Bachelor of Business in both International Commerce/Global Development and Hospitality Operations Management disciplines – **Niagara College is committed to bringing your dreams to life.**

How many times have you heard friends or relatives say of their post-secondary education, “I’ve got a degree, but it didn’t really prepare me for a career.” At NC, you’ll be working toward your career from the moment you arrive.

Our industry-leading co-op work components have a 98% placement rate with some of the most important international corporations in Canada. Through these, you will be able to put into practice what you’re learning in class and sharpen your talent even further. Essentially, we guarantee that before you leave the college, you will have the experience and skills you need in your chosen field.

During your studies at NC, you’ll get to know your professors on a first-name basis. In part because the classroom sizes are intimate, but also because they are committed to applied education instruction: Our unique learning enterprises, including Canada’s only commercial, award-winning Winery, Dining Room, Brewery, Spa, and Greenhouse, have transformed the way our students learn.

Number One for Six Years! Remember, it’s all about Student Success – your success. So, whether you’re beginning the journey, negotiating a change in direction, or building on the credentials you already have, Niagara College Canada is the perfect place to follow your dreams.

我非常喜欢在尼亚加拉的生活。The climate here is quite pleasant and there is a lot to do; the Falls, the vineyards and wineries are must-sees for anybody. It's also much safer and cheaper than big cities like Toronto. In essence, it's a great place to study: fun when you want it to be, but quiet enough so that you can achieve your academic goals.”

充满奇迹的地方

学院周围有43万当地居民，其中20%的居民会说一种外语。 **It's the perfect setting to discover your place in the world.**

Niagara College is located next to one of the world's natural wonders, Niagara Falls, **a place where over 15 million come and visit every year.** The falls were formed at the end of the last ice age when the glaciers melted. The water forming the Great Lakes carved a path through the Escarpment on their way to the Atlantic Ocean. More than 160,000 cubic meters of water falls every minute in an incredible display of natural beauty.

As is often the case with tourist hot spots, a great number of natural attractions seemingly go unnoticed. With nearby Lake Ontario and Lake Erie, threaded together by the

magnificent Niagara River, it's possible for you to enjoy the beach on Lake Erie in the morning, have lunch beside the Falls and pass through pristine vineyards on your way to spending the evening in the English Colonial town of Niagara-on-the-Lake. It's the perfect place for you to discover your place in the world.

Sitting in the heart of this natural wonder, Niagara College has something for everybody. It offers easy access to the region's wide range of shopping and entertainment, excellent golf courses, amateur and professional sport, sightseeing, cycling and hiking routes, and several festivals that occur throughout the year.

All this, and two of North America's major urban centers, Toronto and Buffalo are just 45 minutes away.

在尼亚加拉生活

New country, new friends, new school, and new opportunities. Starting college in a new country can be really exciting, but also a little scary...

有爱心的员工、先进的设施，尼亚加拉学院欢迎你。

动感的现代校园

Niagara College has two campuses designed to meet all your needs. Not only does the college remain on the cutting edge of technology, but the quality of the services also means you will never miss the comforts of home. Our libraries are much more than an oasis where you can learn and study; you can also access the latest technological tools for your projects, papers, and presentations.

Student athletics are an equally important part of college life, and whether your interest lies in varsity, intramural, or just the joys of being a spectator, one can freely join the spirit of our Niagara Knights! Our Athletic Center at the Welland campus boasts one of the most complete athletic experiences in the province, with installations exceeding college pro standards.

住房安排

可以住当地人家

Sometimes the best way to introduce yourself to a new country is to experience it through the warmth of a family home. We believe that your homestay family is as important to your experience as your classes. For this reason, the international housing coordinator carefully

selects each family to match your needs, ensuring you will have a comfortable and enjoyable stay. The monthly fee includes three meals a day, your own fully furnished private room and study area, and access to the entire house.

可以住校内宿舍

NC's Residence Suites are designed for those students who want to experience living among other students, yet still wish to maintain a little privacy. The spacious residences at the Welland Campus offer 117 double suites while the Niagara-on-the-Lake Campus offers 101 double suites, all with kitchenette, bathroom, and light housekeeping duties. The best feature is that they are steps away from classes and campus facilities.

校外租住公寓

Prefer to live off campus? No problem. We can help in your search for a place with our online housing boards. Many great accommodations are within a very short walk of the campus. 优势：便宜、安全、舒适的住宿，---就近，30分钟以内的距离。

我上的研究生证书课程帮助我找到了正式的工作。It expanded on the knowledge I gained from my university degree, and I was able to apply my background as a geologist in a completely new manner. The internship also opened doors: I got the professional experience that led directly to a job offer.
